Learn to Knit Instructions

Casting On

1 Make a slip knot with an end approx 4 ins [10 cm] long and place it on left hand needle.

2 Insert right hand needle through slip knot and wind yarn over right hand needle. Pull loop through and place on left hand needle beside slip knot.

3 Insert right hand needle between 2 stitches on left hand needle and wind yarn over right hand needle.

4 Pull loop through and place on left hand needle beside last stitch. Rep steps 3 and 4 until required number of sts have been cast on left hand needle.

The Knit Stitch

1 With yarn at back of work, insert right hand needle from left to right through front of first st on left hand needle.

2 Wind yarn over right hand needle. Pull yarn through stitch.

3 Slip original stitch off needle. Rep these steps until all sts on left hand needle have been transferred onto right hand needle to complete one row of knitting.

The Purl Stitch

1 With yarn at front of work, insert right hand needle from right to left through front of first st on left hand needle.

2 Wind yarn around right hand needle. Pull yarn through stitch.

3 Slip original stitch off needle. Rep these steps until all sts on left hand needle have been transferred onto right hand needle to complete one row of purling.

Increasing and Decreasing

Inc 1 st in next stitch

Work into front and back of stitch as follows: Knit stitch, then before slipping it off needle, twist right hand needle behind left

hand needle and knit again into back of loop. Slip original stitch off needle. There are now 2 stitches on right hand needle made from original stitch.

K2tog Decrease Knit 2 stitches together through the front of both loops.

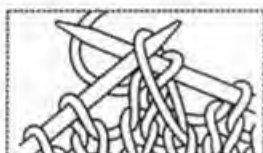

P2tog Decrease Purl 2 stitches together through the front of both loops.

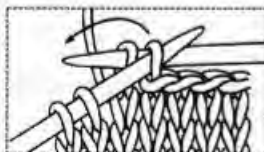

1 Sl1. K1. psso

Decrease Slip next stitch knitwise, then knit the following stitch.

2 Insert left needle into the front of the slipped stitch and lift it over the knitted stitch.

Casting Off

Casting off knitwise Knit the first 2 stitches. *Using left hand needle, lift first stitch over second stitch and drop it off between points of the 2 needles. Knit the next stitch; rep from * until all stitches from left hand

needle have been worked and only 1 stitch remains on the right hand needle. Cut yarn (leaving enough to sew in end) and thread cut end through stitch on needle. Draw yarn up firmly to fasten off last stitch.

Casting off purlwise Purl first 2 stitches. * Using left hand needle, lift first stitch over second stitch and drop it off needle.

Purl next stitch; rep from * securing the last stitch as described for casting off knitwise.

Helpful Hints

For best results, be sure to use the yarn recommended in the pattern, and purchase enough of one dye lot to complete your project. It is a good idea to retain ball bands in case of inquiry.

Before you begin to knit check your tension by making a test swatch and adjusting needle sizes, if necessary, to obtain the tension quoted in the pattern. Inaccurate tension results in a garment too large or too small. Even a variation of half a stitch makes an obvious difference in the finished size. Loose tension can result in the garment losing its shape during wear or laundering.

Before beginning, read the instructions thoroughly and underline all figures applying to your size.

Note: Never put an iron directly on yarns containing synthetic fibres. If pressing is required before assembly, lay each piece right side down on a clean, flat surface and pin to size using rust proof pins. Cover with a damp cloth and leave to dry.

Washing Instructions

Patons Canadiana and Patons Decor: Machine wash. Machine dry.

MACHINE WASHING

Wash the item, preferably on its own, with a gentle cycle, using cool water and detergent. Spin dry thoroughly. Do not use bleach.

MACHINE DRYING

Tumble dry at low setting, approx 5 minutes or lay flat to dry. Do not overheat.

Patons Classic Merino Wool: Hand wash. Dry flat.

HAND WASHING

Note the measurements of the item before washing. Thoroughly dissolve soap or mild detergent in lukewarm water. Place the garment in the suds and squeeze gently. Do not rub or leave to soak. Support the item with your hands as you remove it from the water. Rinse twice in clean, lukewarm water. Remove excess moisture by rolling in a thick towel.

DRYING FLAT

Do not wring, twist or hang to dry. Lay item on a flat surface away from lights, sunlight and excessive heat. While still damp, gently push garment back to its original measurements.

Make 6 pom-poms as given for Hat and attach 3 to each end of Scarf as illustrated.

Pattern Ratings

Easy Means an easy knit. This includes knit and purl stitches with some basic increasing and decreasing.

Intermediate Means an average knit. These require some specialized knowledge, such as color block, fair isle or aran techniques. They may also require the ability to keep continuity of simple pattern stitches during shaping.
